17.06 - Sports Day / Dzień sportu  
21.06 - End of School Year / Zakończenie roku szkolnego

## ENGLISH

Due to the considerations of Green School and the official end of the academic year being on the 21<sup>st</sup>, this is going to be an extremely short month. Students will receive their final grades along with accompanying commentary no later than the 6<sup>th</sup>. Upon their return students may expect to have individualized discussions about said commentary, as well as reflections on their performance, and thoughts concerning their future. Students will take an end of the year diagnostic test, which will not impact their grades in any way. Students will complete unit 9, which is the final unit of their textbook. Focuses of language include pronouns, poetic devices, and degree of adjectives. All books borrowed from the Library for the previous month should be returned.
